

Keep Moving!

You've made it to week 8 - don't stop now!

Activity 1

Six Nations Spelling Bee

Get a family member to challenge you on our Six Nations Spelling Bee!

How many tries and conversions can you score?

Did you know?

Professional rugby players are super fit. They train a lot, control the food they eat, and must stay well hydrated.

In a 80-minute game of rugby, some players run nearly 9km! Male rugby players also need nearly 4000 calories a day—that's almost double the recommended calorie allowance for an average male.

Activity 2 Keep Moving!

Choose some household objects to draw. Keep your pencil on the paper and don't take it off until you're finished!

Why not layer more drawings on the page with paint, pens and other art materials you may have? Try to cover the page.

Activity 3

Move, move, move!

Go on a walk with your family. How far can you walk? Can you beat it the next day?

Why not add jumps and jog parts of the route? Remember to keep safe and stay near your parents.

Activity 4

Refill Station

Rugby players need to drink lots to stay hydrated. Using a measuring jug, can you make sure the players have enough water to last the match?

Activity 5

Ready, Steady, Cook!

Pick a tasty, healthy recipe online with your parents. Can you help to measure the weight of ingredients? What vegetables can you identify?

Share your work

Six Nations Spelling Bee

-  Learn the spellings and meanings of the words on the next page.
-  Read each word, write it without looking, and check!
-  Once you feel confident, get a family member to test you. Start with words from the Try column. If you get the spelling right, score 5 points. If you don't, move on.
-  If you get a spelling correct, you can attempt a word from the Conversion column to score an extra 2 points!
-  By the end of the week, can you score the maximum 35 points?

Bonus Round!

Can you put every new word learnt into a complete sentence?

Keep Moving!

Choose some household objects to draw. The aim is to keep your pencil on the paper without taking it off until you're finished!

Why not try the same thing with paint, pens, and other art materials you may have. Layer it over your pencil and try to cover the page.

Refill Station

Rugby players need to drink lots to stay hydrated. Fill a measuring jug with the quantities below to ensure players have enough water to last the match!
