

My Marvellous Museum

Create your own exhibition!

Did you know?

A **curator** is the person who looks after a museum or a specific collection of objects from the past. They make sure the objects are kept safe!

An **Exhibition** is a display of objects or art in a museum.

Activity 1

Six Nations Spelling Bee

Get a family member to challenge you on our Six Nations Spelling Bee!

How many tries and conversions can you score?

Activity 2

Find 5 different household objects

Make sure every object is made of a different material e.g. wood, metal, plastic, cotton.

Activity 3

Measure and weigh your objects

Use a ruler/tape measure and the kitchen scales. Use the museum object sheet to record your data.

Activity 4

Invent a story for each object

Using the story prompt sheet, invent a story for each object out loud. After deciding on your story, write it down on paper.

Activity 5

Give a guided tour of your exhibition

Imagine you are a curator. Talk your family through your objects, telling them the story behind each object. Use your object story cards to help!

Six Nations Spelling Bee

Learn the spellings and meanings of the words on the next page.

Read each word, write it without looking, and check!

Once you feel confident, get a family member to test you. Start with words from the Try column. If you get the spelling right, score 5 points. If you don't, move on.

If you get a spelling correct, you can attempt a word from the Conversion column to score an extra 2 points!

By the end of the week, can you score the maximum 35 points?

Bonus Round!

Can you put every new word learnt into a complete sentence?

Object Story Prompt Sheet

Think about:

- Where did the object come from (place, country)?
 - Who did it belong to?
- What is it? (e.g. a toothbrush could be a cleaning tool used to clean objects from the Egyptian tombs!)
- How old is it?
